

#TRANSFORMINGTOMORROW: MAKE A DIFFERENCE WITH US.

IT:U is Austria's first public interdisciplinary university dedicated to digital transformation for the benefit of our society, economy and environment. Shape the future with us as a

IT-Allrounder*

and create the digital world of IT:U.

Full- and Part-Time

.....

YOUR TASKS

- Setting up the IT- and Network infrastructure with long-term scaling options
- Designing and managing the „digital workplace“
- Establishing and expanding a future-oriented and scalable IT-application landscape
- Ensuring smooth basic IT-Operations (server, network, clients, printers, ...)
- Supporting employees in daily operations with IT related issues
- Ensuring IT-Security standards and implementing effective protective measures
- Supporting, coordinating and managing external IT-service providers

.....

YOUR STRENGTHS AND SKILLS

- Completed studies (focus on computer science / information technologies) or equivalent qualification
- Several years of professional experience in IT administration and project & process management
- Proficient knowledge in the areas of IT-infrastructure, network solutions, security, digitization as well as servers and databases
- Hands-on mentality and strong communication skills
- Confident, convincing personality with independence and initiative
- Very good written and spoken German and English skills

.....

WHAT YOU CAN EXPECT

- Creative freedom and the unique opportunity to shape a new university
- Your initiative and ideas make all the difference
- Independent and responsible tasks in a dynamic and digital environment with start-up character
- Collaboration in a motivated team at a warm and inclusive workplace
- Flexible working hours and home office option
- Office kitchen with free basic equipment (snacks, coffee, milk, etc.)
- Free parking lot or KlimaTicket Austria (optimal public transport connection)

We offer a gross salary in line with the market from EUR 3.800,- on a full-time basis (depending on qualifications, experience and individual skills) and the opportunity to play a key role in shaping the development of IT:U.
