#TRANSFORMINGTOMORROW: MAKE A DIFFERENCE WITH US.

IT:U is Austria's first public interdisciplinary university dedicated to digital transformation for the benefit of our society, economy and environment. Shape the future with us as a

Software Developer*

and let your code speak for you.

Full- and Part-Time

YOUR TASKS

- Development of web applications in the back-end using PHP, JavaScript and Node.js
- Collaboration in the development process (new campus management system)
- Technical planning and implementation of interfaces, cloud and data connections

YOUR STRENGTHS AND SKILLS

- Completed or ceased education (HTL, FH/Uni) with a focus on software engineering or equivalent qualification
- Career changers with sound knowledge are very welcome
- Knowledge of development with PHP, JavaScript and Node.js
- Experience with GIT, Lint etc.
- Very good written and spoken German and English skills
- Nice to have: first professional experience
- Must have: willingness to learn

WHAT YOU CAN EXPECT

- Great creative freedom and the unique opportunity to help build a new university
- Open source basis - create added value for our society
- Independent and responsible tasks in a dynamic and digital environment with start-up character
- Collaboration in a motivated team at a warm and inclusive workplace
- Flexible working hours and home office option
- Office kitchen with free basic equipment (snacks, coffee, milk, etc.)
- Free parking lot or KlimaTicket Austria (optimal public transport connection)

We offer a gross salary in line with the market starting at EUR 3.200,–
on a full-time basis (with a willingness to overpay depending on qualification, experience and individual skills) and the opportunity to play a key role in shaping the development of IT:U.
