

#TRANSFORMINGTOMORROW: MAKE A DIFFERENCE WITH US.

IT:U is Austria's first public interdisciplinary university dedicated to digital transformation for the benefit of our society, economy and environment. Shape the future with us as a

LMS Administrator - Full Stack Developer*

and design our learning software above and below the surface.

Part-time and full-time

YOUR TASKS

- Administration and configuration of the learning management system in Canvas (system settings, authorizations and roles)
- Develop and structure the platform in collaboration with internal and external colleagues and students
- Further development and improvement of functionalities and implementation of new modules
- Design and integration of new functions with interfaces to Canvas - we look forward to your expertise and ideas!
- Analyze complex and large amounts of data and working with open source software
- First point of contact for technical questions and interface to Canvas and internal software development

YOUR STRENGTHS AND SKILLS

- Bachelor's or Master's degree in IT (computer science, software development)
- At least 5 years of relevant professional experience
- Sound knowledge of Ruby, Java Script and PostgreSQL and Git
- Excellent communication skills in German and English
- Hands-on mentality, initiative and continuous development
- Nice to have: initial experience in a university environment and with LMS such as Canvas / Moodle

WHAT YOU CAN EXPECT:

- A challenging job with a lot of creative freedom and the unique opportunity to help build a new university
- LMS Canvas training program lasting several weeks and ongoing further development, e.g. participation in webinars and conferences
- A responsible and varied range of tasks in a dynamic and digital environment with a start-up character
- Collaboration in a motivated team #gerneperdu
- Flexible working hours and possibility to work remote
- Office kitchen with free basic equipment (snacks, coffee, milk, etc.)
- Free parking lot or KlimaTicket Austria (optimal public transport connection)

We offer a gross salary in line with the market starting at EUR 3.500 - on a full-time basis (with a willingness to overpay depending on qualifications, experience and individual skills) and the opportunity to play a key role in shaping the development of IT:U.

Your contact person
for this position:
Katharina Steiner

We look forward to receiving your online application including CV and letter of motivation.

***come as you are** – we value and promote diversity in our team. Each individual is encouraged to reach their full potential, realize ideas and seize opportunities. Regardless of age, skin color, religion, gender, sexual orientation or origin, we welcome applications from all people equally.
