

#TRANSFORMINGTOMORROW: MAKE A DIFFERENCE WITH US.

IT:U is Austria's first public interdisciplinary university dedicated to digital transformation for the benefit of our society, economy and environment. Support us as a

Content Creator*

#contentfreak #storyteller #networker

Full-Time | Part-Time

YOUR TASKS

- Copywriting is your passion! You transform content into real messages that reach students, lecturers, researchers and public stakeholders
- As an internal journalist, you are always on the trail of the latest developments, generate diverse content and thus contribute to the positioning of IT:U
- Projects such as expanding the website, creating folders and newsletters await your professional realisation
- You stay on top of things - whether it's research, adding videos & photo material or supporting your colleagues - we can rely on you
- Conceptual work with a creative spirit is right up your alley

YOUR STRENGTHS AND SKILLS

- Degree in marketing, communication sciences or journalism
- Several years of relevant professional experience in the field of communication, marketing, or journalism
- Excellent knowledge of German and English
- High level of commitment and initiative to proactively tell exciting stories
- Creativity, analytical thinking and team spirit are part of your nature

WHAT YOU CAN EXPECT:

- A challenging job with a lot of creative freedom and the unique opportunity to help build a new university
- A responsible and varied range of tasks in a dynamic and digital environment with a start-up character
- Collaboration in a motivated team #gerneperdu
- Flexible working hours and home office opportunity
- Office kitchen with free basic equipment (snacks, coffee, milk, etc.)
- Free car parking spot or KlimaTicket Austria (optimal public transport connection)

We offer a gross salary in line with the market starting at EUR 3.500 - on a full-time basis (with a willingness to overpay depending on qualifications, experience and individual skills) and the opportunity to play a key role in shaping the development of IT:U.
